

PBL Series Universal Projector Mounts

The PBL Universal Mounts fit most projectors that weigh less than 25 lbs. They feature four double-jointed support arms (patent pending) that allow flexible positioning to reach any mounting point.

This unique design can mate with an adjustable height-suspension adapter (APL-2647*) to extend the length of the channel up to 46" from the ceiling. Cables can be routed inside channel for a neat appearance. Plus, it's backed by our industry-leading Lifetime Guarantee.

Features:

- Fits projectors under 25 lbs
- +/-20° tilt and roll; 360° Rotation
- Mounts to walls and traditional vaulted/cathedral ceilings
- Adjustable-height channel extends from 9"-12.5"
- Low-profile design (2.5" from ceiling)
- Cable routing inside channel
- Available in two colors
- Lifetime Guarantee

*APL-2647 height-adapter not included

PBL Universal Mounts fit projectors up to 25 lbs

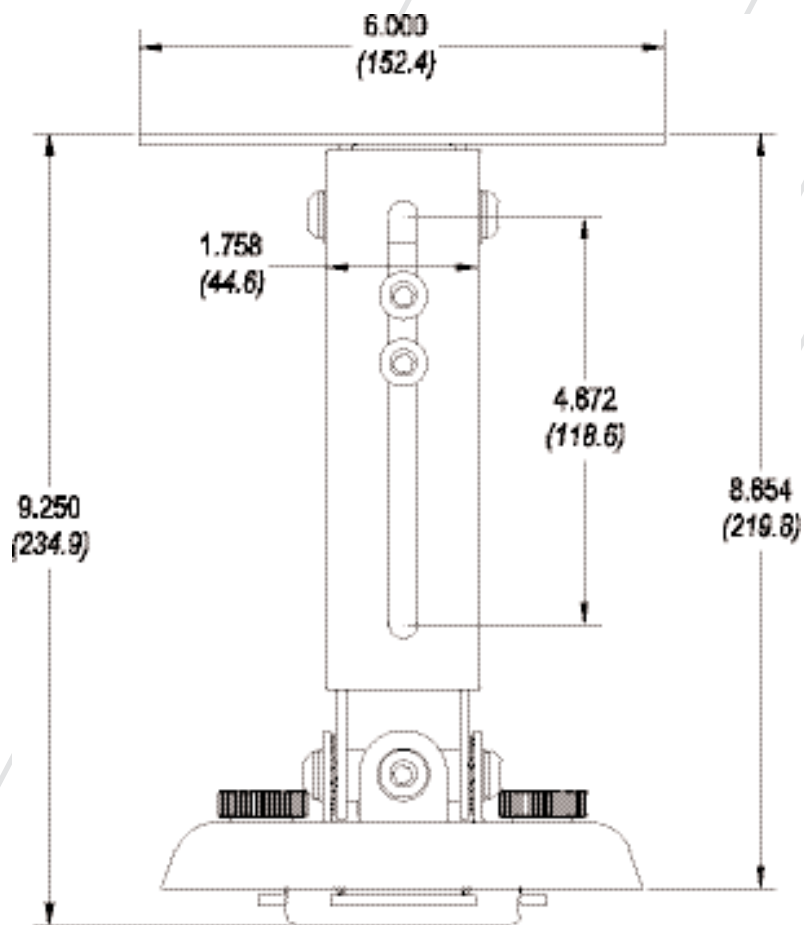

Remove height-channel for low profile look

Rotate projector 360°
